FARES VALID THROUGH MAY 16, 1980

Add $3.00 departure tax to fares for flights operating both to and from Honolulu

NO RESTRICTIONS:

Unlike many of our competitors, our fares have no advance purchase requirement, no limited number of seats available, no anxious wait for hours at the ticket counter, and no round-trip purchase requirement. Ours is one-class service. All of our passengers are "first class" to us. Your ticket is your reservation.

ELEGANCE DEFINED:

That's what McDonnell Douglas calls its wide-body DC-10s. World flies the DC-10-30, the longest range, most advanced model. This plane features comfortable, contoured seats, bright, newly designed interiors, and all the conveniences passengers have come to expect. On the DC-10, you can also enjoy nine-channel stereo, and our in-flight movie. Headset rental charge is $2.50.

BON APPETIT:

In-flight meals are available for purchase, or you are welcome to bring your own. (Cooking facilities are not available for passenger-furnished meals.) Coffee, tea, soft drinks and milk are compliments of World Airways. Beer, wine, and alcoholic beverages can be purchased on board. It is against FAA regulations, however, for passengers to furnish their own alcoholic beverages. You can pay for your meals at the time you purchase your ticket or at the time you check in at the airport.

TICKETING - EVERY CONVENIENCE FOR YOU:

You can buy your ticket at World's city ticket offices, airport ticket counter, from your travel agent, or you can buy your ticket at most Ticketron outlets.*

Passengers must check in at least thirty minutes prior to departure of domestic flights, then present themselves for boarding at least ten minutes prior to flight time in order to hold their reservations. Children two years of age and under, who do not occupy a seat, fly free. But, because all of our passengers fly at discount prices, there are no additional "discounts". Specify smoking or non-smoking when you make your seat selection at the airport.

*Normal Ticketron charge will be applicable.

IF YOU MUST CANCEL OR CHANGE YOUR PLANS:

You may cancel or change your flight up to seven days prior to the flight without penalty. Except as provided below, cancellations or changes made within seven days of the originally scheduled flight or failure to use the ticket for such flight will result in retention by World of a fee of $50.00 ($15.00 between Oakland and Los Angeles) from the purchase price of the ticket, unless World is furnished proof, acceptable to it as provided in its tariff, of illness or death of the passenger or a member of the passenger's immediate family. A ticket may be exchanged for a ticket on another flight with the same routing without a penalty if the exchange is made at least 72 hours prior to the scheduled departure of the original flight. Refunds may be obtained by writing to:

World Airways, Inc.
Revenue Accounting - Refund Section
P.O. Box 2330
Oakland, CA 94614

In the case of credit card purchases, the amount of refund will be credited to the purchaser's account.

STOPOVERS:

There are no additional charges to you for any stops you wish to make enroute or returning from your planned trip. Simply make your request for the additional stops when you purchase your ticket.

BAGGAGE:

You may check two pieces of baggage per person, each piece up to sixty-two inches (height + width + breadth) and seventy pounds weight, and you may carry on board one piece of luggage that will fit under the seat in front of you. You may check-in extra bags or overweight bags for $25 apiece. A duffel bag, sea bag or items of sporting equipment (i.e., skis, bicycle, golf clubs) may be substituted for one of the two pieces of luggage.

PETS:

Pets may be shipped as cargo, in suitable containers supplied by the passenger for a charge of $25. Animals are accepted for shipment only when advance arrangements have been made with World Airways, and cannot be considered as one of the two allotted pieces of baggage. Animals must be accompanied by valid health and rabies vaccination certificates, and since many areas have strict quarantine laws on animals, it is advisable to check with local authorities before planning to transport your pet. Unaccompanied pets may be shipped at a charge of $50.00 under these same conditions as stated above.
